Data

Accommodation of	4 instrument pegs
Base diameter	352 mm
Material	steel
Number of legs	3
Size when folded	198 x 25 x 61 mm
Type	black
Weight	0.6 kg

The low tripod serves as a base for all instrument pegs from the K&M range. The robust and durable steel construction with swiveling legs ensures a stable, wobble-free stand, even on stages and in narrow orchestra pits. Up to 4 instrument pegs can be accommodated. The versatile stand can be folded up quickly and compactly for transportation.
